“

The developers at Knoldus Inc integrated seamlessly with the internal team. They're easy to work with and deliver consistently. The team is cooperative, and their support has been integral to the success of this platform.

Damien Fauth

Technical Lead : Singapore
Exchange Ltd

“

It feels like they are part of our team. While the project is ongoing, the results thus far have met the expectations of the internal team. Knoldus Inc. utilizes best practices to achieve results and successfully integrates with the internal team. The team is dedicated, hard-working, and knowledgeable.

Alex Dizengof

Co-Founder & CTO
Carbyne

Since its founding in 2010, Knoldus has grown to have the largest team of functional programming and fast data engineers in the world, with over 350 seasoned professionals working together to develop customized, high-performance solutions.

Since then, we have strived to expand upon the accomplishment of our vision with our partners around the world.
